Rebecca Cheetham Nursery NEWSLETTER

A warm welcome to our Newsletter

Dear parents/carers,

Approaching the end of the academic year is always a bitter sweet time for the team at Rebecca Cheetham. We would like to say "Thank you ", to all the parents who attended the educational visits and sports day event and hope that you have been inspired to get active and venture out into the world beyond Newham. "Thank you " to Phillip from Booster Cushion Theatre for bringing the story of Goldilocks to life in a fun and entertaining way.

Some children will be leaving the setting this term as they begin the next stage of their education journey. It has been a pleasure to watch them grow and we wish them all the best in their new schools.

Our **Moving Up Ceremonies** will be taking place on **Wednesday 13th July for Donaldson room and Cooke am group at 10.00 am and Jeffers room and Cooke pm group at 2.00 pm**. Please click on the link <https://forms.gle/CKFpizzBRsvb2ksH9> to register your attendance.

All parents will receive their child's **summary progress reports** for the summer term and **Parental consultation sessions** will be available throughout the week beginning **Monday 11th July**, for children who are leaving the setting. This is a great opportunity to talk to your child's key worker about your child's progress and development. You can book a virtual session or come for a face to face meeting, by calling the office team on 0208 534 3136.

For our leaving children, please don't forget to keep up the conversation regarding **Transitions**. You can find a transitions video to watch which is filled with loads of helpful information for you to make sure the move to Primary School goes smoothly. The link can be found on our school website, along with a whole lot more information for you. Here is the link:

www.rebeccacheetham.newham.sch.uk/page/?title=Transitions&pid=56 Also on this web page are some readings of picture story books helping children get ready for the move to Primary School. We definitely encourage you to watch them to help with these transition conversations.

We will also be taking graduation photographs of the children leaving the setting. The photographs will then be emailed to you throughout July.

The final 'Thank you' is to the wonderful and dedicated team of staff who have worked so hard to get to know your children and help them with their development, who have liaised with parents and visitors to ensure the setting runs smoothly and have supported families in the Stratford and West Ham community neighbourhood. Enjoy the summer break. See you in September.

Attendance and Punctuality

We take attendance and punctuality very seriously and it is proven that constant absence can be a major disruption to your child's development.

Research has shown that attending early years education and care can help to improve children's outcomes and narrow the gap associated with socio-economic disadvantage. <http://www.nuffieldfoundation.org/impact-nursery-attendance-childrens-outcomes>

Book of the Month

We use books to open up a world of learning for our children. The core books we use, relate to children's interests and we feed that through the breadth of activities we offer within the provision. We also think that using books as the basis for our learning helps children love reading on a deeper level which we hope they will keep with them throughout their education.

The school website has a guide to suggested activities that you may like to carry out with your child at home.

If your child loves a particular book why not tell us about it in the "What I Did" book; we'd love to hear your feedback!
