

UPDATES - JUNE

Dear all,

We hope that this finds you well.

Firstly, I am saddened to remind you all that due to the high rate of Coronavirus infection and the growing levels of positive cases, we are not able to make any changes to our risk assessment to protect us all from Covid-19. This means that our **Moving Up Ceremony** for all our children moving to Reception next year will be conducted remotely, as we did with the Winter concert. We will be filming the performances for you to view at your leisure and to watch at home together with your child. We really think it will make for a lovely shared experience with the family. We will be filming during the **week commencing 12th July 2021** and your classroom leader will have already informed you of the specific date and if they are required to bring anything on the day. We will send you the links to the videos after that week once all the performances have been captured and put together. The children have been practicing really hard for the performances and we really think it will be a special think for you to enjoy and reflect on.

For those children leaving us for Reception in September, you will have no doubt had contact with your child's new school and every school has been trying to manage transitions with the new children as best they can and keeping in with Covid restrictions; it really isn't what any school would have wanted. To help the process for you, our wonderful Deputy Head Teacher, Mandy has put together a **Transitions** video for you to watch which is filled with loads of helpful information for you to make sure the move to Primary School goes smoothly. The link can be found on our school website, along with a whole lot more information for you. Here is the link: <https://www.rebeccacheetham.newham.sch.uk/page/?title=Transitions&pid=56> We will also be running a Parent Forum Transitions Q & A to handle any questions you may have in addition to what is provided in the video. Please watch the video before joining the Zoom call. The Transition Zoom session will be held on **Monday 28th June 2021 at 4pm** and the details will be sent to you via text message on the day.

We will also be holding **Parent Consultations** via Zoom for all our children during the week commencing Monday 12th July 2021. The Zoom discussion will last for no longer than 10 minutes and each classroom will have two allocated days to conduct the meeting which is as follows:

Monday 12th July	Cooke Room and Donaldson Room
Tuesday 13th July	Jeffers Room and McKee Room
Thursday 15th July	Cooke Room and Donaldson Room
Friday 16th July	Jeffers Room and McKee Room

You will receive further information soon on how you can book your slot with your child's key person.

Normally, we also take a photo of the children who are leaving us for Reception that you can purchase as part of a Graduation Pack. Unfortunately, due to Covid, we aren't able to dress the children up in the "Graduation" costumes but we are still happy to take a **Leaving Photo** of your child holding their "Graduation" certificate and email it to you for you to print as you wish. We will do this against a very special background that means a great deal to us at Rebecca Cheetham. We normally charge for the photos but instead we are asking if you would like to make a purchase from our Classroom Book Wish List. There is absolutely no pressure to buy a book, but if you could we would be extremely grateful. We will send a link to the Wish List closer to the date.

Finally, we have a planned **INSET Day** this **Friday 25th June 2021** for all children. The setting will be closed to all that day whilst we partake in some very important learning.

Thanks everyone!

Nursery Opening Times

Extended day
8:00am to 5:00pm
Or
8:00am to 6:00pm
