Sustainable Citizenship

Please join us for this workshop which will show how you can support your child in becoming a sustainable citizen and the school to obtain a sustainability award!

During this session we will discuss all the aspects needed to become a sustainable citizen and help you discover ways you can support learning at home. We will also introduce you to the Sustainable Citizenship Passport which will help your child grow into a sustainable citizen of the future.

**Rebecca Cheetham
Nursery School**

Thursday 15th January

9:00am or 1:00pm (both face to face)

Book your place at the front office.
