

Fiesta Fun Day 2026

Dear Parents and carers,

- Enclosed is a map of all the Fiesta Fun day stalls and activities. Stalls and activities that have a small charge, have their individual prices displayed on the stall.
- Please ensure your child(ren) is supervised by you at all times. In the event of you and your child getting separated, please inform a member of staff. We have a designated meeting point for lost children located at the main front entrance where you entered today.
- The centre has a pond in the wildlife garden (by the garden house). Please ensure that your child(ren) do not try to access this area, as the water is deep (although this area is gated and has an iron cover).
- Staff are placed throughout the centre. Staff can be easily identified as they are wearing ID badges. If you should need First aid treatment please see a member of staff wearing a First Aid badge.
- Please take extra care when purchasing refreshments or food if you or your child has any allergies.
- Photos will be taken throughout the event for the use of publicity. Entry into the event indicates that your permission for this has been gained.
- The centre will not be responsible for any lost, stolen or damaged goods. Please ensure you take care of your personal belongings at all times.

In the event of the fire alarm being activated, please exit the building through your nearest fire exit and please ensure you follow the instructions given by our fire wardens who can be identified by their lanyards:

1. Jeffers and Donaldson rooms- exit doors into the garden and go to the fire assembly point on the grass.
2. McKee garden- exit out through the gate into the main garden joining others down on the grass at the assembly point.
3. If in the front foyer- evacuate the building through the main entrance, grouping outside of the main gates.
4. Children's Centre (in the case of heavy rain) - exit into the garden and walk to the assembly point next to the climbing apparatus.
5. In the event of an offsite evacuation, the large gates at the back of the garden will be open, where all staff will guide families along Plaistow New Road (line up against shop front/ opposite Britannia Pharmacy) For re-entry, families will walk around to the front entrance.

We hope you have an amazing experience, exploring what is on offer.
