

Ready to Potty Train

Free online workshop for parents and carers of children
aged 12 months to 4 years

Thursday 23 July, 1-3pm and Tuesday 4 August, 10am-12pm

Part of the Ready to...Workshop series.

There are no set rules when it comes to toilet training. Every child is unique, and what works for one may not work for another.

At this workshop, we'll share practical ideas, helpful guidelines, and proven strategies to help you get started, tackle common challenges, and support

your child on their journey to dryness.

With time, patience, and the right approach, your child will get there—and we're here to help you every step of the way.
