

Ready for Nursery

Free online workshop for parents and carers of children aged 9 months to 4 years

Monday 20 July, 10.30-11.30am

Part of the Ready to...Workshop series.

Starting nursery is a big step for both children and families. It can bring excitement as well as lots of questions about how to apply, what children need, and what support is available.

At this workshop, we'll share clear information about childcare entitlements, including the funded hours available to eligible families,

and guide you through the process of registering for a nursery place in Newham.

With the right information and support, starting nursery can be a positive and smooth experience, and we're here to help you every step of the way.

To book, click [here](https://newham.gov.uk/familyhubnetwork) or scan the QR code.
