

Health Promotion Session

Accident Prevention

Run by Newham Health Visiting Team

Topics include home safety, safe sleep practices, burns and scalds, hazards and road safety

The session provides parents and carers with practical advice on preventing common childhood accidents at home and in the community. The aim is to increase awareness of potential risks and promote strategies that help to keep children safe and reduce preventable injuries

Thursday 17th December 2026

1:30pm – 2:00pm

Rebecca Cheetham Nursery & Children's Centre

Call to book a space on 0208 534 3136
