Dear parents and carers,

We would like to take this opportunity to welcome you to the new school year and tell you how excited we are to have you with us. We are so thrilled to see our returning children back at school after the summer break and to welcome our new starters as they commence their nursery education with us. We thank you for choosing Rebecca Cheetham Nursery and we look forward to working in partnership with you to ensure your child is a confident, social being who is independent, inquisitive and imaginative in their approach to the world around them.

We will be holding our parent information session for **all** our parents on **Wednesday 2nd October 2019** where we will talk about what you can expect from us as a setting, how we hope to work with you as parents and carers and explain key projects that we will be hoping you will get involved with throughout the year. This information session will run three times on this date to accommodate as many parents as possible to attend. Please see information provided below for the times and we ask that you book onto a session to ensure we can accommodate all participants in the space we are providing. Bookings can be made through our front office.

We wish your child a wonderful year with us at Rebecca Cheetham and we truly hope that you, as parents and carers, can contribute to the life of the school by getting involved in the different activities and workshops we will be offering throughout the year. Currently we are looking for some parents who would like to take a lead in organising our monthly clothing exchange – speak to a member of the front office if you're interested.

If you have any questions, please speak to the teachers in Donaldson or Jeffers Room or leader in the McKee Room in the first instance. Also, our website will be able to offer you a plethora of information so take the time to have a look!
