Attendance and Punctuality Policy

Compiled by: RC SLT using LA guidance

Amended: RC Senior Leadership Team

Date: January 2020

Ratified by governors: Yes

Governor's signature: _____

1. PURPOSE

The purpose of this policy is to set out the attendance and punctuality expectations of all parents/carers when they enrol their child at Rebecca Cheetham Nursery.

We expect that all children will:

- attend nursery from the allocated start date
- attend all the scheduled sessions booked at nursery
- attend nursery on time.
- attend nursery appropriately, prepared for the day.

We expect all parents and carers to:

- encourage regular nursery attendance
- ensure that their child arrives punctually and prepared
- ensure nursery is contacted when the child is not attending
- contact the nursery on each day of an absence
- contact the nursery in the event of any lateness
- contact the nursery regarding any issue that may keep their child off school

We aim to help parents/carers avoid absences and lateness for their children by creating enjoyable, fun, safe, caring and exciting opportunities for all children who attend the nursery. These opportunities will encourage children to want to attend the nursery on all their scheduled sessions. In turn, we aim to create trusting and supportive relationships with all parents/carers so they feel secure in bringing their children to all their scheduled sessions.

Where more clarity on attendance and punctuality is needed this policy will identify the individual processes involved.

2. SCOPE

At Rebecca Cheetham we expect all parents/carers to bring their child to their scheduled sessions; agreed in their admissions contract (see Admissions Policy & Charging for Childcare Policy) to enable the nursery to run in a safe and successful way.

Whilst the legal requirement for attendance does not apply to children under 5, regular routines for young children support the settling in process and enhance their sense of security. They can also foster good habits for children's later life through to Primary School. Regular attendance is an excellent way for your child to get the best out of their nursery experience and is an important life skill.

At Rebecca Cheetham staff work hard to make the very best use of human resources. We work to precise 'child to adult ratios' to ensure Health & Safety regulations are followed and make sure your child has the most appropriate care and support for their specific age of development. These ratios are calculated upon registration at the start of your child's session. Once the register has been taken, staff are moved and allocated according to the numbers in the register, to provide the very best learning, play and development support across the nursery. With poor

attendance and punctuality we cannot do this. This has a negative impact on other children and is not acceptable.

For many families attendance at the nursery does not become an issue. Where attendance becomes an issue, the remainder of this policy sets out the procedures for parents/carers and the nursery related to attendance and punctuality.

3. RESPONSIBILITIES

Communicating Non attendance:

- Late collections are charged at £25.00 per 15 minutes. See Charging for Childcare Policy for terms and conditions of charges and payments.

- If a child has not been collected by the scheduled time (either 11.45am, 2.45pm or 3.30pm) and we haven't heard from the parents/carers, we will endeavour to contact the parents ourselves and people on the emergency list to attempt to ascertain what has happened. To ensure the child does not feel upset at not being picked up on time, we would allow the child to attend the extended day provision until such time, they have been collected. The late charge fee applies.

- If a child has not been collected by 6pm and we haven't heard from the parents/carers, we will endeavour to contact the parents ourselves and people on the emergency list to attempt to ascertain what has happened. Failing the child being picked up by 6.30pm, we will make contact with social services who will advise of the next steps.

Holidays:

- All holidays are not encouraged during Nursery term time. Parents/carers are advised to take holidays during the time when the Nursery is closed (see current term dates)

- Holiday will not be granted where attendance is already a cause for concern
- No return after a holiday will result in a child losing their place at Nursery

Medical appointments:

- Parents/carers are advised to make medical appointments for their child outside of the Nursery session hours they have booked. (For fee paying parents we recognise that this will not always be possible.)

Sickness:

Some absences due to sickness will involve a child having longer off school. Where this occurs it will still be recorded in the Absence and Punctuality Communication Book and on the child's file.

- Parents/carers are encouraged to keep in regular contact with the Nursery throughout such a time
- Longer, more serious sicknesses will involve changes to the timeline for Attendance Absence procedures listed above.
- Where sickness is prolonged the school will offer support to the family
- Reoccurring longer sickness periods may result in other agencies being involved in the interest of child protection
- Some longer, more severe sicknesses will involve a quarantine period due to the nature of the sickness. The school will advise parents/carers of the time frame for this (e.g. chickenpox)
- Employees from the Nursery may feel it would be beneficial to visit families of children with more severe sickness at home
- Longer sickness absences may involve a resettling in procedure (see Settling In Policy)

Family Emergencies:

- Consideration will be given to circumstances where a family emergency occurs involving a long absence where clear, open and timely communication is given by the parents/carers
- The Headteacher has the final decision

Changing Schools:
