<p>Communicating Through Reading Challenge</p> <p>Go to our school website to watch videos on how to deliver these reading sessions with your child:</p> <p>https://www.rebecca.cacheetham.newham.sch.uk/page/?title=Nursery+at+Home+Keeping+up+our+Development&pid=65</p>	<p>Communicating Through Reading Video 1</p> <p>Select a book to focus on for the whole week with your child. Spend time talking about the front cover, the back cover; focus on the title, the author, the illustrator. Before reading, talk about what the book might be about from looking at the cover. If they have already read the book, you could ask them to recall what happens. Write down their responses to check once you've read through. Read a few pages of the book before</p>	<p>Communicating Through Reading Video 2</p> <p>Ask your child to point to the front cover, the back cover, the spine, the title; review who the author /illustrator is and what their job is.</p> <p>Read the book all the way through. Review your child's predictions/recall from yesterday. How did they go? Read through the whole book with your child.</p> <p>Who is their favourite character? What is your favourite part of the story? Can we think of a different ending to the story?</p>	<p>Communicating Through Reading Video 3</p> <p>Read the book again. Ask your child to draw a picture about the book you have just read with them. Talk them through the picture as they draw. Once they have finished you can ask them to describe the picture to you and you can write down what they said about the picture. This gives children a voice and when you write down what they say, it makes children feel their voice is important.</p>	<p>Communicating Through Reading Video 4</p> <p>Read the book again. Choose a letter to focus on (for example, the letter "s") Focus on one page at a time and ask your child to find a word that starts with that letter. When you find a word, write it down for review later. It's great for your child to see you writing for meaning; it helps them see the value of writing. You can focus on the sounds and help your child to recognise the visual sound (by identifying it in the text) and the way it sounds (by reading the words you found). For younger children not ready for this level of scrutiny we will instead encourage your child to point out all the different things that they can see in the pictures - encourage a good level of picking out the detail in a picture. If they get stuck, you can help them out - "Can</p>	<p>Communicating Through Reading Video 5</p> <p>Ask your child to read the book to you today. Let them take charge of the reading experience. They might use the pictures in the book to help them recall the storyline.</p> <p>We aren't expecting them to be reading the book (unless they can). We are focusing more on their ability to recall and sequence a story. They might surprise you by how much they remember. This helps empower children to want to read independently.</p>

ACTIVITIES	PERSONAL, SOCIAL, EMOTIONAL DEVELOPMENT		PHYSICAL DEVELOPMENT	LITERACY	MATHEMATICS
	<p>On different pieces of paper, draw a happy and a scared faces . Ask your child how they feel today and use their expressions to represent the emotions. Ask them to tell you what makes them happy and what makes them scared.</p>	<p>Please read one of your child's favourite story at home. Please try to ask them some questions in regards to the story book.</p> <p>What happened first, at the beginning of the story What happened next, in the middle of the story What happened at the end of the story/What happened last?</p> <p>You can help your child with drawing what happened in the story. Write down what your child said when telling you about the story. That with help you to assess your child's memory skills.</p> <p>You can upload the outcome of your child's work on the Evidence Me app.</p>	<p>With your child, think about what they would like to make with paper, e.g. a bus. Model to your child in folding the paper and creating their object. You can use some videos on youtube about simple origami.</p> <p>https://www.youtube.com/watch?v=8z037K5e6QY</p> <p>You can upload the outcome of your child's work on the Evidence Me app.</p>	<p>This week, ask your child to select their favourite story from their library bag or book shelf. Ask your child what's special about the book, talk to them about the title. Why do we have a title? What's the job or an author? Explain that the author writes inside the book. Encourage your child to describe the front cover and note down onto 'Evidence Me'</p>	<p>With your child make simple 2d shapes cut outs and as a challenge introduce a pentagon and a hexagon. How many sides do they have? You can make an animal of your own choice using the shapes cut outs.</p>

	<p>UNDERSTANDING THE WORLD</p> <p>Cooking activity.</p> <p>At home this week, ask your child what they would like to bake? Measure the ingredients and encourage your child to count the scoops as you make the mixture.</p> <p>You can upload the outcome of your child's work on the Evidence Me app.</p>	<p>EXPRESSIVE ARTS AND DESIGN</p> <p>Show your child a picture of a bear (from a story book, on the tablet), ask them to choose different fruits and vegetables available at your house. Now try to make your child's face or the parents' faces using the food selected (parent to support the child). Please remind your child about the importance of washing hands before the activity and the safety measures when using a knife to cut. Talk to your child afterwards about the ingredients</p>	<p>PHONICS</p> <p>Visit some phonics websites such as Geraldine Giraffe on you tube, focusing on m,a,s,d,t, sounds</p> <p>https://www.youtube.com/watch?v=65b3vEfskZ4</p>
