

Rebecca Cheetham nominated in five categories at the Inaugural TTLT Awards

The inaugural **Tapscott Learning Trust Awards** took place on July 18th 2018 at **Here East** in Stratford and what a wonderful event it was, celebrating the remarkable achievements of children from nursery age through to Year 6 from all the schools with-in and working in partnership with the trust.

Rebecca Cheetham Nursery were nominated in five categories and three of our children were deserved nominees in the following categories: Blake (*Sports Achievement Award*), Inara (*Outstanding Pupil Contribution*) and Fares (*Resilience / Young Achiever Award*). One of our volunteers, Irene was also nominated for the Volunteer of the Year through her dedication and commitment to supporting our children in their learning. Unfortunately, our individual nominees did not take home the prize but they were so thrilled to have even been nominated for an award and be able to attend the ceremony.

Our school were the deserved winners of the “Going Green” Award in recognition of our improvements and future plans to help support the environment and take care of our green spaces. We were very excited indeed to bring home a lovely award plaque which will make it’s way on our awards wall.

The Tapscott Learning Trust is named in honour of one of our past Head Teacher and in attendance were Angela Tapscott’s late husband and her two children.

The Awards will only get bigger and better and we look forward to seeing which of our wonderful students will be nominated this year.
