<p><b>Communicating Through Reading Challenge</b></p> <p><b>Go to our school website to watch videos on how to deliver these reading sessions with your child:</b></p> <p><a href="https://www.rebecacheetham.newham.sch.uk/page/?title=Nursery+at+Home+%2D+Keeping+up+our+Development&amp;pid=65">https://www.rebecacheetham.newham.sch.uk/page/?title=Nursery+at+Home+%2D+Keeping+up+our+Development&amp;pid=65</a></p>	<p><a href="#">Communicating Through Reading Video 1</a></p> <p>Select a book to focus on for the whole week with your child. Spend time talking about the front cover, the back cover; focus on the title, the author, the illustrator. Before reading, talk about what the book might be about from looking at the cover. If they have already read the book, you could ask them to recall what happens. Write down their responses to check once you've read through. Read a few pages of the book before stopping and ask what happens next? Write this down to review tomorrow.</p>	<p><a href="#">Communicating Through Reading Video 2</a></p> <p>Ask your child to point to the front cover, the back cover, the spine, the title; review who the author /illustrator is and what their job is. Read the book all the way through. Review your child's predictions/recall from yesterday. How did they go? Read through the whole book with your child. Who is their favourite character? What is your favourite part of the story? Can we think of a different ending to the story?</p>	<p><a href="#">Communicating Through Reading Video 3</a></p> <p>Read the book again. Ask your child to draw a picture about the book you have just read with them. Talk them through the picture as they draw. Once they have finished you can ask them to describe the picture to you and you can write down what they said about the picture. This gives children a voice and when you write down what they say, it makes children feel their voice is important.</p>	<p><a href="#">Communicating Through Reading Video 4</a></p> <p>Read the book again. Choose a letter to focus on (for example, the letter "s") Focus on one page at a time and ask your child to find a word that starts with that letter. When you find a word, write it down for review later. It's great for your child to see you writing for meaning; it helps them see the value of writing. You can focus on the sounds and help your child to recognise the visual sound (by identifying it in the text) and the way it sounds (by reading the words you found). For younger children not ready for this level of scrutiny we will instead encourage your child to point out all the different things that they can see in the pictures - encourage a good level of picking out the detail in a picture. If they get stuck, you can help them out - "<i>Can you find a picture of a bird on this page? Can you show me where the sun is in this picture?</i>"</p>	<p><a href="#">Communicating Through Reading Video 5</a></p> <p>Ask your child to read the book to you today. Let them take charge of the reading experience. They might use the pictures in the book to help them recall the storyline. We aren't expecting them to be reading the book (unless they can). We are focusing more on their ability to recall and sequence a story. They might surprise you by how much they remember. This helps empower children to want to read independently.</p>

# ACTIVITIES

## PERSONAL, SOCIAL, EMOTIONAL DEVELOPMENT

With your child, talk about the nursery. Talk about what they like to do with their key worker. Please ask your child who they play with and what they like to do when playing with friends at nursery.

## COMMUNICATION AND LANGUAGE

Tell your child that today you will be thinking about what they can see around them. Model to the children by pretending to use special imaginary glasses and use full sentences to describe what you can see around the room or outside. Encourage your child to do the same.

## PHYSICAL DEVELOPMENT

Pretend with your child to be a dinosaur, experimenting with different ways of moving. You can watch a video on Youtube as reference exploring different dinosaur movements and imagining yourself to be a dinosaur. You can upload photos of your child having fun onto the Evidence Me.

## LITERACY

Read a story with your child and discuss the plot, characters and their favourite part/parts to the story. Encourage your child to draw their favourite characters or their favourite part of the story. You're more than welcome to upload the outcome onto the Evidence Me.

## MATHEMATICS

Use 2D shapes to compose your child's favourite animal. You can discuss the different 2D shapes and their properties. You're more than welcome to upload the outcome onto the Evidence Me.

	<b>UNDERSTANDING THE WORLD</b>  With your child, talk about recycling and how important it is. You can sort the recycling in different categories at home with your child.	<b>EXPRESSIVE ARTS AND DESIGN</b>  Role-play with your child in your garden or in a local park. Pretend to be explorers and find treasures during your exploration walk.	<b>PHONICS</b>  Visit some phonics websites such as Geraldine Giraffe on you tube, focusing on m,a,s,d,t, sounds
