Christmas Special - 'Elf Assembling Bicycles

Have you bought a child a bicycle for Christmas? Bring it to Dr. Bike for a safety check before the big day.

Does it need to be assembled?

Our professional mechanics can assemble it for you, free of charge.

At Dr Bike sessions experienced mechanics check everything on your bike from wheels, brakes, gears and tyre pressure to lights, racks, pedals, saddles and more.

Any minor adjustments we can make to the bike we do there and then. Anything we can't fix on site we will let you know exactly what needs doing so you can explain this at a bike repair shop of your choice.
